

Easy Embellishments

• Embossing, embroidery and bling: It's the details that add zing to your ski ensemble. By Valerie Gleaton

A two-layer R-Storm waterproof membrane, Thinsulate insulation, taped seams and an adjustable and removable hood stand up to all kinds of weather.

ROSSIGNOL ARIES
The geometric embossing on this full-featured hard-shell jacket gives it style to match its function. \$350; rossignol.com

COLUMBIA CYBERBACK
Carry your laptop in a pack with topo map-inspired detailing and a bright green interior. \$120; columbia.com

SCOTT CELEBUTANTE
Style like a star while you shred like a pro with faux fur and metal detailing. \$60; scottusa.com

OBERMEYER LANI
They may be gray, but thanks to subtle embossing and metal details, these pants are far from dull. \$180; obermeyer.com

KJUS SCALA & ZIG ZAG

From refined florals to strategic stitching, Kjus style is all in the details. \$199-\$329; kjus.com

Anon's injected thermoplastic polyurethane lenses are abrasion-resistant and highly flexible, even in extremely cold temperatures.

BOLLÉ FLASH

The subtle etched pattern inside these shades' temples will catch your eye, if no one else's. \$150; bolle.com

CARRERA DESIRE

This helmet is seriously luxe, with raised lace flowers on the shell, faux-fur lining and embossed leather ear covers. \$190; carrerasportna.com

ANON SOLACE

Plastic frames are out. This season's fashion statement? Red velvet, if you please. \$150; anonoptics.com
